I. RECITALS

- 1.** This civil action was instituted by Plaintiff, the Equal Employment Opportunity Commission (“Plaintiff” or “EEOC”), an agency of the United States, alleging that Defendant Performance Food Group, Inc. (“Defendant” or “PFG”) engaged in unlawful employment practices, in violation of Section 703(a)(1) and (a)(2) of Title VII of the Civil Rights Act of 1964 as amended, 42 U.S.C. Section 2000e-2(a)(1) and (a)(2) (“Title VII”). Plaintiff specifically alleged that since at least January 1, 2004, Defendant has engaged in an ongoing pattern or practice of failing to hire a class of female applicants for operative positions at its Broadline facilities. Plaintiff further alleged that in or around February 2007, Defendant failed to promote Julie Lawrence into the position of Nighttime Warehouse Training Supervisor at its Carroll County Foods facility in Maryland on the basis of her sex. Defendant denies that it has engaged in a pattern or practice of sex discrimination as alleged in the complaint and that it failed to promote Ms. Lawrence because of her sex.
- 2.** The Parties (defined in Section III, below), desiring to settle this action by an appropriate Consent Decree, agree to the jurisdiction of this Court over the Parties and the subject matter of this action, and agree to the power of this Court to enter this Consent Decree enforceable against PFG.
- 3.** As a result of settlement discussions, the Parties agree that settlement of these matters without further protracted, expensive, and unnecessary litigation is in the public interest and that entry of this Consent Decree is the most appropriate means of resolving this civil action. Accordingly, the Parties agree to the entry of this Consent Decree without trial or further adjudication of any issues of fact or law.

4. In agreeing to the terms of this Consent Decree, the EEOC and Defendant, acting by and through their counsel, engaged in arms' length negotiations and a significant exchange of information. The Parties have obtained sufficient information to assess reliably the relative merits of the claims and defenses. Throughout this process, the EEOC and Defendant were represented by counsel knowledgeable in this area of law.
5. This Consent Decree is final and binding upon Plaintiff, Defendant and its successors and assigns.
6. Defendant agrees that Plaintiff has named as Defendant all the necessary parties required to provide the full monetary, injunctive and other equitable relief ordered by this Decree. In the event that there is a transfer of ownership of Defendant during the Term of the Decree, Defendant shall provide prior written notice to any potential purchaser of Defendant's business of the existence and contents of this Consent Decree if as part of said transaction the employees of the OpCos (as defined herein) will become employed by the purchaser.
7. This Court, having carefully examined the terms and provisions of this Consent Decree and based on the pleadings on the record in this action, finds that the terms of this Consent Decree are adequate, fair, and reasonable, that the Consent Decree conforms with the Federal Rules of Civil Procedure and is not in derogation of the rights or privileges of any person or any party, and that approval of this Consent Decree will further the objectives of Title VII.

It is therefore ORDERED, ADJUDGED, and DECREED as follows:

37.07 Monetary payments shall be made on behalf of deceased Class Members through representatives of their estate or next of kin if the Settlement Administrator determines that appropriate documentation (e.g., letters testamentary or the equivalent) has been provided, along with the other documentation required as a condition for payment. Any sums paid to a deceased Class Member shall be made payable to the estate of the deceased Class Member, or if no estate exists, to the decedent's next of kin, assuming all legal requirements are met prior to such payments.

37.08 If there are any additional unallocated funds remaining in the QSF after distribution to all Class Members, the Settlement Administrator shall extinguish the residual fund balance and distribute the remainder as a donation by Defendant to one or more public or not-for-profit organizations that are primarily devoted to the inclusion of females in traditionally male industries, including, but not limited to education institutions, and/or education scholarships, and/or internships or job training for females. The organizations will be determined by the EEOC and PFG, and the amounts paid to each will be determined by the EEOC. The EEOC will provide the Settlement Administrator with the names of the organizations and the amounts paid to each. In no event shall there be any reversion of any part of the settlement funds to Defendant or to the EEOC.
